

# Capstone planning worksheet

Design Capstone  
GDES-420, spring 2021

---

## INSTRUCTIONS

These questions will help you organize your ideas for your capstone project, in preparation for next week's project proposal. See the proposal information page for more information about the questions.

Name

Date

Working title

List three possible subjects

What designers, artists, writers, etc. will inform your work?

What do you plan to make?

Capstone  
planning  
worksheet

What tools, materials, and technology will you need for your project? Do you have access to them?

You'll need to break your project into phases of work. Describe those phases and when each will be done.

What could go wrong? How can we avert those problems?
